SKIN GUM 3DS ATOMIC

SKIN GUM 3DS ATOMIC

Special silicon cover designed to protect the Nintendo 3DS™ console against shocks and scratches.

It tightly fits the console like a second skin, still preserving full access to its buttons and plugs.

Made in clear colour in order to allow an optimal visibility of the underlying colour of the console.

A pair of little hand grips in the back of the cover help the player to hold the console more comfortably in his hands.

It protecs the console from scratches and accidental bumps.

Best design and touch screen sensitivity.

4 BONUSES included:
- 4 protective film for the touch screen
- 2 protective film for the upper screen
- 1 Soft Card tool for easy application and removal
- 1 cleaning cloth

Colours available: Transparent.
